

City of Monroe Main Street Plaza Project

Construction Update

Current Construction Activities

May 11

Here's what you can expect:

- No work on Mothers Day Weekend.
- Eastbound Main Street sidewalk is open
- North Lewis Street (east side) as highlighted on the map to the right:
 - Contractor plans to pour new sidewalk and parking lane.
- South Lewis (west side) as highlighted on the map to the right:
 - Contractor plans to pour curb.
 -
- South Lewis – east side south of Fremont Street
 - Contractor plans to remove cement, concrete & asphalt, excavate and backfill.
- Lane shifts south of Destination Alley. Two-way traffic to be maintained.
- Signs are in place reminding traffic to not block Destination Alley.
- Flaggers will be on site to assist pedestrians.

(subject to change due to weather and the dynamic nature of construction)

Upcoming Construction Activities

May 12

Looking ahead, here's what is currently planned for upcoming work:

- Pour pervious concrete along the west side of South Lewis.
- Excavate and backfill on the east side of South Lewis south of Fremont.

SCHEDULE IMPACTS

- Contractor waiting for supplier to assemble the paver block mats for parking lanes south side of East Main Street.
- Destination Alley closed at Lewis Wednesday through Sunday.

* Additional after-hours parking will be available at the Post Office, after 5 PM and at Union Bank after 6 PM

How to Get Around

Businesses along Main and Lewis streets will be open throughout construction and we'll help you get around. Here's what to expect when you near the construction zone:

- Access to businesses will be maintained, except during initial demolition and concrete sidewalk replacement
- Public parking will be maximized to the furthest extent possible.

Refreshing Monroe's Downtown Corridor The City of Monroe is installing infrastructure along Main and Lewis streets to help reduce the impact on the natural environment as well as enlarging sidewalks to make downtown more pedestrian friendly.
